KEY FEATURES

- Dual Layer cover construction with double reinforced seams.
- Commerical grade micro-beads (rather than standard beads) which easily can align to the body contour and don't compress/go flat over time.
- Dual purpose - can be used as a disc or more like a bean chair on its side.

SPECS/SAFETY

- Fire Retardant properties adhere to strict fire prevention guide-lines BS 5852: 2006
- High Frequency welded seams reinforced with top stitching for extra durability.
- Soft, comforting and supportive - designed with healing in mind
- Extremely durable, while completely safe. There are no hard components in this structure.
- Fully sealed tamper, tear and slash resistant cover reducing the risk of self-harm
- 100% High resilient medical grade foam structure with a safe working load of up to 200kgs
- Ergonomically sturdy design to assist with stability
- Anti-bacterial treated foam and vinyl - including a coating for ease of cleaning.
- No assembly required, arrives ready to use.
- 7 Year Structural Guarantee, 3 Year upholstery warranty.
