KEY FEATURES

- Collapsible design to prevent climbing while being sturdy enough to hold personal objects.
- Two shelves for extra storage space.
- Made from foam so if thrown, removes the fear of traditional bed-sides.

SPECS/SAFETY

- Fire Retardant properties adhere to strict fire prevention guidelines BS 5852: 2006
- High Frequency welded seams reinforced with top stitching for extra durability.
- Soft, comforting and supportive - designed with healing in mind
- Extremely durable, while completely safe. There are no hard components in this structure.
- Fully sealed tamper, tear and slash resistant cover reducing the risk of self-harm
- 100% High resilient medical grade foam structure with a safe working load of up to 200kgs
- Ergonomically sturdy design to assist with stability
- Anti-bacterial treated foam and vinyl - including a coating for ease of cleaning.
- No assembly required, arrives ready to use.
- 7 Year Structural Guarantee, 3 Year upholstery warranty.
